Categories

- Soup Bowls
- Miscellaneous

Activities

- Hand-made Pottery for sale
- Live Music
- Part of the Art Gallery Stroll

The 4th Annual “Bowls for Humanity” fundraiser will be held on Friday, March 5th, 2010 at 116 West Center Street in Provo. The event will showcase pottery from both student and professional artists and is part of the regularly scheduled Art Gallery Stroll held each month in downtown Provo.

The event committee is looking for potters of all experience levels to donate pottery in one of two categories - soup bowls and miscellaneous - an open category allowing artists the freedom to create their own unique piece of art. Donated pottery will be sold with or without soup donated by Marvellous Catering and from the Coalition’s own “Chef Ken”. Proceeds will benefit the programs and services of the Coalition.

Persons or groups who donate 5 or more bowls or items are eligible to have business cards available to the public. The showcase is an excellent way to have your pottery viewed by the public as the event runs parallel to the Downtown Gallery Stroll.

Interested persons should contact Tammy Rodeback at 801.362.0315 or 801.375.0108. Awards for professional potters will include: Best of Show, Most Creative, and Staff Choice. Prizes for students will include: Most Creative, Staff Choice, and Honorable Mention. Each participating potter will also receive a complimentary meal at the event. A special thanks goes out to all potters who participated in past events which has allowed it to grow into a highly anticipated event by the community each year.

Thank You !
